

ENDLESS

Endless is a new boiserie collection.
Made of prestigious materials and finishes with
a simple and innovative hanging system to the
wall, which give added value to the home spaces.
The wall coating allows to integrate the boiserie
with hinged doors of the same finishes.
This new system is very functional and practical
because can combine the interior doors and
exterior windows with the wall coating for a
coplanar effect.
The alignment of boiserie and doors gives the
possibility to create new interesting solutions
with unique style.
